My stories

It's Ramadan

Ramadan started today.
Everyone fasts in Ramadan.
People don't eat or drink in the day.
They eat and drink before dawn and
after sunset.

In Ramadan, people give
zakat and read Qu'ran.
They go to the mosque
and pray Taraweeh.

After Ramadan, there is the festival of Eid Al Fitr.
Everyone buys new clothes for Eid.
On the first day of Eid, Ali and Haya go to the
mosque for the Eid prayer.
On the second day, they always visit their cousins.
On the third day, they usually go out with their
family and friends.
I want to go too!

Festivals

There was a big festival today.
It was Kuwait's National Day.
On the National Day, people
march in the streets with flags.
They sing songs about Kuwait.

All the family wanted to march
in the street.

Jassim and Salma were there
too, with their Mum and Dad.
They had flags.

I flew with a flag, too!

Ali and Haya are having a party
tomorrow.

It's their birthday.

They are nine now.

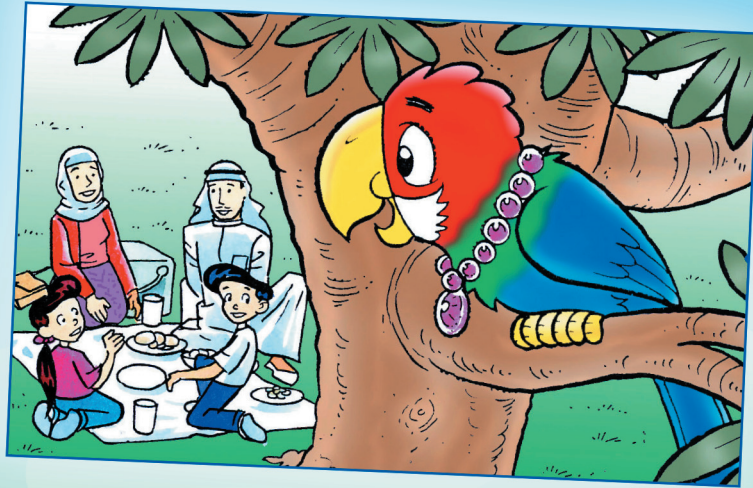

I want to help blow out the
candles on the birthday cake.

It will be fun!

Fast and slow

We had a nice day today.
We all went to Failaka.
We went to the harbour by car,
then by boat.
I didn't like the boat.

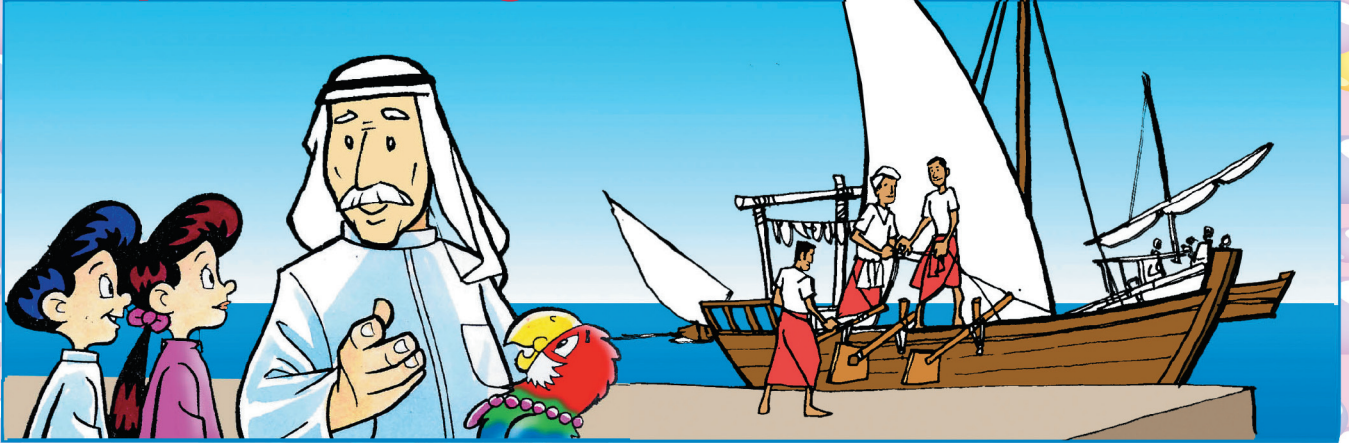

I felt sick so I flew to Failaka.
The boat was slow,
but I was fast. I arrived first.
We had a picnic under a big tree.

Haya likes travelling by car.
Ali likes travelling by car, by
boat, and by plane.
Ali likes travelling by plane
because planes are fast.
I like flying!

The pearl diving festival

We went to the harbour yesterday.
I saw the pearl divers coming home.
They were on a boat for eight days.
They collected some beautiful pearls.

I talked to a man.
He went diving because it was his job.
He was on a boat for two months or
longer. He was very brave!

Then we saw a boat race.
It was very exciting.
There were three big boats.
The green boat was faster than the red boat.
The yellow boat was the winner of the race.

A visit to Al Wafra

We went to visit Dad's friend,
Ahmed.
Ahmed has got a farm in Al
Wafra.

There are horses on the farm.
Ali went horse riding! It was
fun. Ali and Haya played in a
playground.

Ali and Haya had a race.
Ali's car was faster than Haya's
car. Then, we had a picnic.
It was a nice day!

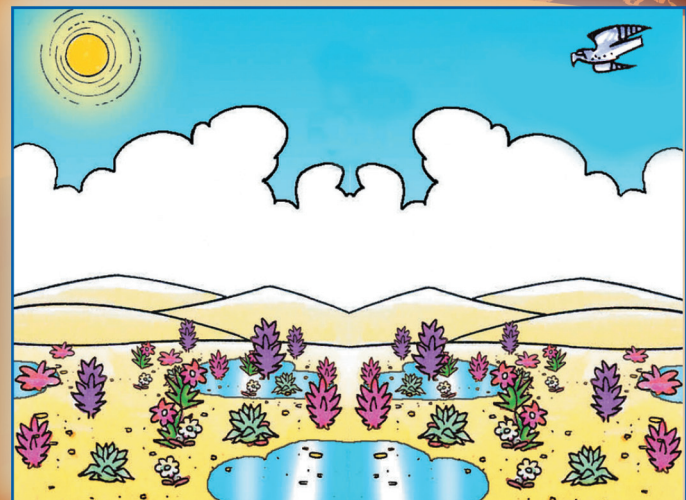

In the desert

Last Saturday, we went to the desert.
There was a lot of sand.
We can't waste water in the desert.
There isn't a lot of water in the desert.

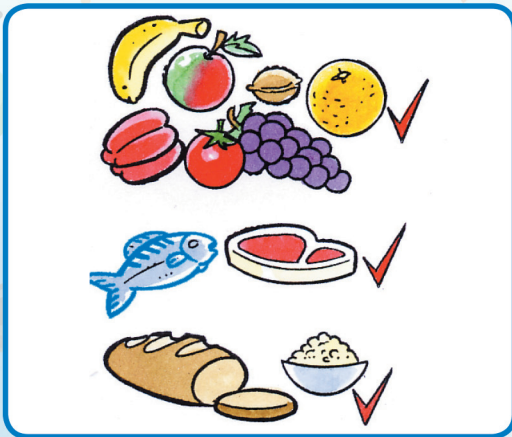

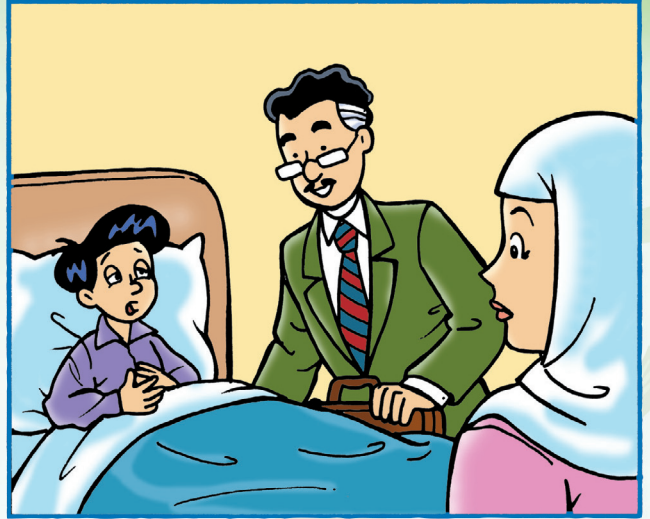

It is important to keep the desert clean.
We can't leave rubbish in the desert.
We took all of our rubbish home.

In the day, the weather was warm
and cloudy. At night, it was cooler.
At night, we saw the stars. It was
a nice day. The desert was very
beautiful.

Let's be fit and healthy

Ali was ill today. His stomach hurt. Dad called the doctor. The doctor felt Ali's stomach and gave him some medicine.

The doctor told us about healthy food. Fruit, vegetables and salad are healthy. Fish, meat, bread and rice are healthy, too. Ali likes chocolate, ice cream and fizzy drinks, but they aren't healthy. Ali and Haya want to be healthy.

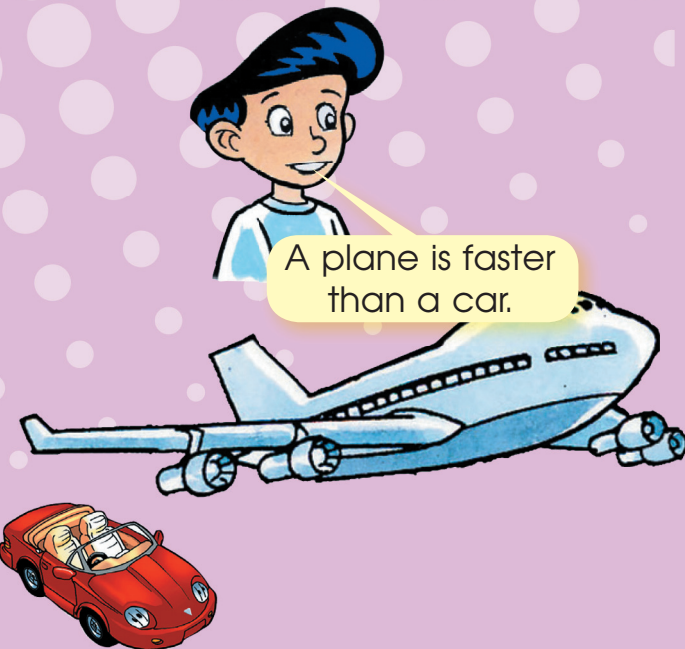

Salma and Jassim want to be fit and healthy, too. They play sports and eat healthy food. I drink lots of water every day and I eat lots of nuts and fruit. I am very healthy.
